

Creative Writing Techniques Poster

Using the link, create a poster about 5-10 of the literary techniques you can use in creative writing:

<https://www.bbc.co.uk/bitesize/guides/zx7cmnb/revision/1>

Creative Writing: Extended Writing

Find a gothic picture and write a story which is 300-500 words long. You must include dialogue, ambitious vocabulary, a range of punctuation and you must paragraph your ideas please.

Write About...

Write 150-200 words describing something that has scared you recently. This could be:

- A spider
- Food you don't like
- An alley
- An unknown figure
- Someone coming up behind you
- A scary film

A Gothic Setting

Create a list of 15 things that a 'gothic' setting needs to have.

Think about:

- Where?
- When?
- What time of day?
- Weather?
- Colours?
- Temperature?
- Sounds?

Gothic Film Poster

Create a film poster for a Gothic film to be released this year. Use a range of presentational features including images, colour and typography, and make sure that it fits with the Gothic genre.

Then explain in 150 words what makes your film truly Gothic.
