

Art - Artist Research

Do some research on Escher and find 6 images of his work that you like.

Choose one image that relates to your classwork and write a short review of this piece.

Do you like it?

Why? Why not?

What materials are used?

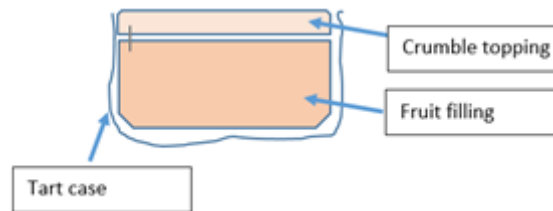

What shapes and tone are used?

Food - Adapt a crumble dish

Over this rotation you will watch and make a crumble. You are then set the task to improve this dish, you can simply change the filling.

When complete you need to complete an evaluation of your product. See below

For a higher skilled product you can add a pastry tart base for your crumble to sit in.

Questions:

What product have you made?

Describe the texture of your product.

Describe the appearance of your product.

Describe the flavour of your product.

What changes would you recommend could improve your product?

Why would you make these changes?

DT – Art Deco

Gather 10 images for Art Deco design and create a 'Mood' Board

Art - Drawing Task

Create a sheet of different mark making techniques, using pens. How many different techniques can you use? How many different pens can you use?

Food - UK waste

In the UK food and resources waste is a major concern. We will be looking at waste with this rotation. For your homework you are to write a letter to the Head of School making recommendations of how we can help reduce waste in school.

This could be making recommendations of how we could support on a global to recycling or even as a school could support families let fortunate which could rely on food banks.
