

**Monster Gallery**

Find **5 images** of paintings and drawings relating to monsters. These can be works of fine art, sculpture or concept art.

Top tip: Write down the name of the artist who created each piece!

**Design and Make a snack for a picnic**

Over the course of this rotation we have looked at lots of products which could be used in a picnic.

You are to use one of these ideas and develop that in to a picnic idea. You will need to state

- 1 The product you are going to adapt.
- 2 make a design of different ways you could develop it.
- 3 make the product and evaluate it. Your evaluation is below

**Evaluate your picnic snack**

1. What product idea are you going to develop?
2. Now produce an ideas sheet with four possible developments (this needs to be annotated)
3. State which of the ideas you are going to make and why.
4. Describe the texture of your product.
5. Describe the appearance of your product.
6. Describe the flavour of your product.
7. What changes would you recommend could improve your product?
8. Why would you make these changes?
9. A photograph of your final product needs to be included.

**Film Review**

Watch a film or TV programme about monsters and write down all the characteristics and features of the creatures in the film.

Here are some suggestions but the choice is yours:

1. Hotel Transylvania
2. Monster's Inc.
3. Harry Potter

**It Miley Cyrus's video glorifying Obesity.**

Miley Cyrus reportedly has the most watched videos and has a young following. Discuss how this video can be seen to show how expectable it is being morbidly obesity and it is ok. If you believe it is ok justify your answer if not say why not.
