Dear Parents,

**Re: School Transport**

Thank you for choosing to use Smestow School transport. We would like to clarify our position regarding arrangements. Students are collected from designated bus stops and will be dropped at either the rear (minibus) or front (coach) of the school premises.

We have become aware that some students are choosing to go to the shop for supplies prior to coming into the building. Our position is that we are responsible for the safe transportation of your child but that it is at parents' discretion whether you allow your child to go to the shop or expect them to come straight into school.

Unfortunately, we are not in the position to supervise this. Of course, we expect all students to be in school and registered on time once school starts at 08:40am. Please could you clarify your expectations with your child? If you have any concerns, please do not hesitate to contact us.

Yours sincerely,

Mrs K Inscker

Executive Headteacher
