Dear Parent/Guardian,

**Re: Y11 After-School Revision**

In response to a recent parent survey that may have taken part in, we have implemented a structured after-school revision programme for our Y11 students in the run-up to their exams. These revision sessions usually run from 3.15pm until 4.15pm with most subjects represented at some point in the week. This is an excellent opportunity for Y11 students to take part in smaller-group structured intervention sessions led by a subject specialist. I have attached the intervention timetable detailing staff, rooms and subjects for your information.

Attendance at these intervention sessions will be monitored and should you wish to know how well your child is attending these sessions or if you have any other questions then please contact the school

Yours sincerely,

*J. Whitehead*

Mr J. Whitehead

Senior Assistant Head Teacher – Curriculum and Standards
