Enquiries About Results

If you're not happy with the accuracy of your results for a particular unit, we can apply for a review on your behalf. Reviews can only be requested by the school and not by candidates or parents.

You can apply for a Review of Marking (Service 2) for any written exam paper. We have enclosed information on Grade Boundaries for 2019 to guide you. Students must give written authorisation and be aware that their mark can go up, go down or remain the same.

To apply, complete the enclosed Candidate Consent Form, which can also be accessed on the school website. Please include the relevant payment with your request. You can find the deadlines for application on the Candidate Consent Form; please note that late requests cannot be accepted.

Access to Scripts (ATS)

Access to Scripts (Service 3) is available for most, but not all, written exams. Copies may be applied for until the dates indicated using the enclosed Candidate Consent Form. Please include payment where applicable. Late requests cannot be accepted

Certificates

GCSE Certificates can be collected on Presentation Evening – Date TBC

If you are unable to attend Presentation Evening, you can arrange with the Exams Office to collect and sign for your certificates at a later time. If you are unable to collect your certificates in person and would like to nominate someone to collect them, you must supply a signed and dated Letter of Authorisation, giving that person permission to collect on your behalf. They will need to show the letter along with proof of I.D. upon collection.

Please remember that your certificates are a valuable record of your achievements at Smestow School. If however you misplace or lose your original GCSE certificates and need to replace them, you must personally apply to each exam board directly. You will be charged for this service:
