Dear Parent/Carer

The Government announced on Friday that they will ensure GCSE, A and AS level students are awarded a grade which fairly reflects the work students have put in based on a range of evidence and data including performance on mock exams and non-exam assessment.

As a school we would strongly advise that your child continues with remote learning working towards the completion of coursework for both GCSE and A level courses as some Universities and Sixth Form centres may set entrance examinations.

We will continue to keep you updated following Government guidance

Yours sincerely
